# What's New

## SERVICE CHANGES Effective February 21, 2015

**Route 2** – The afternoon schedule has been modified to improve timings for Fallon Middle School students; trips now depart E Dublin BART at 30 minutes past each hour instead of at the hour.

**Route 9** – Trips that previously operated as Route 70X now operate as Route 9 in the Hacienda area. The Inglewood / Chabot loop has been discontinued.

**Route 10** – The morning starting time of service has been modified; westbound service now begins approximately 30 minutes later, while eastbound service starts approximately 30 minutes earlier than in the previous schedule.

**Route 11** – The previous 5:57 am trip has been discontinued, and a new 8:12 am trip added to the morning service. In the afternoon, all trips now depart the Transit Center 15 minutes later compared to the previous schedule.

**Route 70X** – See notation for Route 9 above; passengers will continue to be able to travel between the Walnut Creek and Hacienda areas and vice versa without the need to transfer buses.

**Route 605** – The route has been extended to Martin Avenue, and now operates the segment similar to Route 608.

In addition, minor timing adjustments have been made to the schedules of routes 10, 12, 15, and Rapid. Wheels riders are advised to review all new schedules carefully for any change(s) that may affect their regular travel itineraries.

# Transportation Network

## Bay Area Rapid Transit District (BART)

There are two BART stations in the LAVTA service area.

### West Dublin/Pleasanton BART Station

The West Dublin/Pleasanton BART station is located over I-580, and between Foothill Rd and I-680. For the purposes of this bus guide, this station is referred to as the “W. Dublin/Pleasanton BART” or “W. BART” for short.

WHEELS Routes 3, 53, 70XV, 503 and the Rapid stop at the station. To access the station from Route 10, exit the bus at the Dublin Blvd/Golden Gate Dr stop and walk one block south to the station.

### Dublin/Pleasanton BART station

The Dublin/Pleasanton BART station is located near the intersection of I-580 and Hopyard Rd. For the purposes of this bus guide, this station is referred to as the “E. Dublin/Pleasanton BART” or as “E. BART”. Many WHEELS routes directly access this station.

## Downtown Livermore Transit Center

The Transit Center houses a staffed customer service center, restrooms, and a ticket counter for ACE and WHEELS. For the purposes of this bus guide, this transit hub is designated as the “Transit Center” or “Transit Ctr.” Routes that enter the transit center will have it listed as a timepoint on their schedules. It is

important to note that Rapid buses do not enter the Transit Center, but stop outside on the street for convenient transfers, at the stop designated “First/Railroad”. The Westbound bus stop location is located next to the Downtown Livermore Parking Garage clock, and the Eastbound bus stop location is located next to the Bankhead Theatre.

### Vicinity Map

### Transit Center Map

## Lawrence Livermore National Lab Transit Hub (LLNL)

At the intersection of East Avenue and Vasco Road, outside the security gates of LLNL and Sandia Lab, WHEELS has a transit hub designated as "East/Vasco LLNL" or "LLNL". Any member of the public may use this transit hub to board a WHEELS bus. The waiting area is shown in the picture below.

## Rules for Riding

- Keep your Cool - Don't threaten or intimidate riders or bus drivers. It's unlawful to threaten the safety of a rider or driver, or interfere with the movement of a bus.
- Pay your "fare" share - It is against the law to fail to pay the correct fare or to misuse transfers, passes or tickets.
- Do Not Disturb - Excessive noise is not allowed. Use headphones if listening to music.
- Make Way - Don't block the aisles or doors. If you have a bag or bike, make sure it's not blocking the aisle. If you're standing, move back so others can board.
- Sorry, No Pets - Except for guide dogs and other service animals trained to assist passengers with disabilities.
- No Smoking - Smoking is prohibited on buses and at the Transit Center. If you smoke, be considerate of your fellow riders by moving away from the bus stop or shelter.
- Unacceptable Cargo - It is against the law to carry any explosives, acid, flammable liquid, and/or toxic or hazardous materials.
- Rider Safety - Eating and drinking is not allowed on the bus. Any food and drink must be in sealed containers.

## How to Ride

- Arrive at your stop at least 5 minutes early. Wait where the bus driver can see you clearly and hail the bus so the driver will know that you need to get on board. Bus drivers cannot stop after departing a bus stop due to safety reasons.
- If you need the bus to be lowered or would like to load a bike, let the driver know.
- Be ready with exact change, bus ticket/pass or transfer before you board. If paying a discounted fare, show the required ID to the driver. If you need a transfer slip, be sure to request one from the driver when paying your fare.
- The bus will announce major stops and intersections. Feel free to ask the driver to call out your stop if you're a first time rider or not sure of the stop closest to your destination.
- Signal the driver about one block before your stop by pulling the cord next to the window.
- Gather personal belongings and exit through the rear door. If you have a bike stored in the bike rack, exit from the front.
- Use caution when exiting the bus. Once you exit, wait until the bus pulls away before crossing the street. Never cross in front of the bus – approaching motorists may not see you.

## Lowering the Bus

All buses are capable of being lowered so that it is easier to board the bus. This function is called "kneeling". If you would like the bus to be lowered for your ease of entering or leaving the bus, just let the bus driver know. Bus drivers are not required to automatically lower the bus, but will be happy to do so upon your request.

## Bus Stops

WHEELS buses only stop at designated bus stops.

## How to Ride with Bikes

Busse are equipped with racks located on the front bumper.

If the bicycle rack is full, ask the driver if you can bring the bike inside the bus. Bikes are allowed inside the bus only at the driver's discretion. If additional passengers or a wheelchair passenger boards the vehicle, you may be asked to leave the bus with your bicycle. If the bike rack is full and the bus is unable to accommodate you with your bike, please wait for the next bus.

### Loading your bike:

1. Remove water bottles and other loose items from the bike and have the bike ready to load.
2. Tell the driver that you will be loading your bike and go to the front of the bus. Drivers are not allowed to help load or unload bikes.
3. Lower the bike rack from the folded position until it is parallel to ground. Once lowered, load the bike.
4. Raise the support arm over the top of the bike's front tire.

### Unloading your bike:

1. Alert driver that you will be unloading your bike at the next stop.
2. Exit the bus from the front exit so the driver can see you.
3. Lower the support arm and lift the bike off the rack.
4. If there is no other bike on the rack, fold up the rack. Otherwise, raise the support arm back over the other bike's front tire.

**WHEELS is not responsible for lost, stolen or damaged bikes. Owners assume all risks for transported bikes.**

### Specifications for your bike:

1. Tires must be at least 20" in diameter (this excludes most children's and recumbent bikes).
2. No motorized bikes or bikes with child seats, large carriers or attachments allowed if considered hazardous or if it impairs driver's visibility.

## How to Ride with Strollers and Grocery Carts

In some buses, there is a designated area for strollers and personal grocery carts, located behind the wheelchair area. The area can accommodate a maximum of two strollers or two small personal grocery carts. Strollers and carts must not block the aisle.

Before boarding, remove all loose items that could fall off of the stroller/cart.

Ask the driver to deploy the boarding ramp if necessary.

### Easy steps for safe riding

1. Do not block aisles, wheelchair stations, doors, steps, or emergency exits.
2. Strollers and carts are to be placed in designated stroller and cart area when available. This space is located immediately behind the wheelchair area.
3. If the stroller area is full and space is available in the wheelchair area, strollers may be placed in the wheelchair area. If a passenger with a wheelchair boards, you will be asked to fold your stroller or cart and move to a regular seat.
4. If both stroller and wheelchair area are occupied, passengers boarding with strollers or carts must fold their stroller and keep it out of the aisle.

**If the stroller area is occupied, you may be asked to fold your stroller.**

**Tip:** When purchasing a stroller or cart for use on public transportation, please make sure it is portable, folds quickly and is light weight.

## Programs Available at WHEELS

### Trip Planning

WHEELS can provide route and schedule information and plan your trip over the phone. Please call 925-455-7500 for assistance with planning your trip.

Be prepared with the following information:

- Where you will start your trip,
- Where you want to go, and
- What time you need to arrive by.

Then we can tell you:

- Where and when to catch the bus,
- Whether you need to transfer to another route, and
- When you will arrive at your destination.

### Travel Training: Bus Riding Made Easy

WHEELS offers one-on-one travel training to help new passengers learn to use our fixed route bus system. It is a free, self-paced training program customized to meet your individual needs. For more information, call 925-455-7555.

### Class Pass Program

A class pass is a free bus ride for up to 25 passengers (includes children, teachers and adult supervisors) from your school to any of the Tri-Valley destinations that WHEELS fixed routes currently serve. An example might be a ride to the East Dublin/Pleasanton BART station for a field trip to other destinations in the Bay Area.

All teachers in the Tri-Valley area may request up to 2 class passes per school year. Call Customer Service at 925-455-7500 for more information or to schedule your class pass.

### Employer Commuter Fairs

To help introduce employees to the various commute options available to them, WHEELS offers employers the opportunity to host a free Commuter Fair at their worksite. WHEELS representatives will offer personal trip planning and information on commuter resources directly to your employees.

Commuter Fairs can be arranged by contacting our Community Outreach Coordinator at 925-455-7555.

### Employer Rider Program

If an employer would like to provide a free ride program as an employee benefit, WHEELS can help design the right size program for your company. A living example is the Hacienda ECO Pass for the Hacienda Business Park in Pleasanton.

#### Hacienda ECO Pass

Hacienda employees and residents are eligible for a free WHEELS ECO pass. ECO Passes entitle the bearer to use the WHEELS system seven days a week, 365 days a year for free while employed or residing within the Park.

ECO Passes can be obtained by visiting the Hacienda website [www.hacienda.org](http://www.hacienda.org) or by calling 925-734-6551. ECO passes are non-transferable and ECO pass holders may be required to present a photo ID to the driver upon boarding the bus.

Advanced ticket sales can also be accommodated. Contact your employer or property manager for more information. Employers can contact our Community Outreach Coordinator at 925-455-7555 for more information.

### Title VI

Title VI is a section of the Civil Rights Act of 1964 requiring that "No person in the United States shall on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

If you believe that you have received discriminatory treatment by WHEELS on the basis of your race, color or national origin, you have the right to file a complaint with the WHEELS Title VI Coordinator. For more information, call 925-455-7500.

## Accessibility Guide

All WHEELS buses are compliant with the **Americans with Disabilities Act (ADA)**.

The following features make boarding and departing quick and easy:

- fold out ramps
- a large entrance area
- the front end of buses can be lowered to curb height

Priority seats for persons with disabilities and Seniors are located behind the driver.

## How to Ride

### Boarding the Bus

- If you require the use of the lift or ramp, please remain about eight feet away from the bus so that the lift or ramp may be lowered safely.
- If you need the bus lowered to curb height, let the driver know.
- To avoid turning around on the bus, you may find it easier to board the bus by backing your device onto the lift or ramp.
- Please turn off mechanized devices and lock the wheels while on the bus lift and once you are safely secured.
- The driver will either secure your mobility device or ensure that you have secured it properly with four point securement. In addition to the securement system, lap belts and safety harnesses are available.
- As you pay your fare, tell the driver your destination so the bus will stop in the proper position. Then, as a reminder, signal the driver about two blocks before your stop.

### Exiting the Bus

- When the bus comes to a stop, allow other passengers to exit first so that the aisle will be free for you to maneuver.
- The driver will release the securement loops and guide you to the door.

## Personal Care Attendants (PCA)

- **Attendants pay \$1.00**
- MTC issues Attendant Limited cards, however, not all attendants have one and they **are not required** (see sample below).

- The Attendant Limited card is valid **ONLY** when an individual is traveling with a Regional Transit Connection (RTC) card holder and **working as their authorized attendant**.
- For a free copy of "Access Alameda Transportation Services for Seniors and People with Disabilities in Alameda County", visit [www.accessalameda.org](http://www.accessalameda.org).
- For more information about policies related to PCAs or escorts on WHEELS regular bus service, contact the WHEELS Paratransit Planning Coordinator at 925-455-7555.
- For information on finding transportation escort assistance, call 211, Alameda County's hotline for social services referrals or visit the Eden I&R online Resource Center at [www.alamedaco.info](http://www.alamedaco.info).

## Wheelchairs and other Mobility Aids

### Specifications for your mobility aid

- **Weight:** The maximum weight capacity for lifts is 600 pounds. If the combined weight of a mobility aid and the user exceeds the specified maximum weight capacity of the lift/ramp, the passenger may not be accommodated.
- **Dimensions:** Mobility aid and user must not exceed the size of the mobility aid securement area on the vehicle and must not block the aisle. If you are unsure whether your mobility aid can be accommodated on a WHEELS vehicle, please call 925-455-7555 and ask for an in-person assessment.

## Service Animals

- Service animals are individually trained to do work or perform tasks for the passenger with a disability. Their service duties are duties such as the following: Guiding people who are blind; alerting people who are deaf; pulling a wheelchair; alerting and protecting a person who is having a seizure; and many other duties. These animals are welcome on all WHEELS buses.
- These animals are not allowed on WHEELS buses: Animals who are out of control and the handler does not take effective action to control it; animals who are not housebroken; animals who pose a threat to other passengers or interfere with the safe operation of the bus.
- When using the lift, please have the service animal board the bus first. We also ask that service animals are kept off the seats and as far away from the aisle as possible.
- WHEELS reserves the right to deny boarding to any animal that poses a threat to the health and safety of other passengers.
- Please see [www.fta.gov](http://www.fta.gov), or [www.wheelsbus.com](http://www.wheelsbus.com), for additional information

## Accessible Programs and Services to Assist You

### Trip Planning

WHEELS can provide route and schedule information and plan your trip over the phone. Please call 925-455-7500 for assistance planning your trip.

Be prepared with the following information:

- Where you will start your trip,
- Where you want to go, and

### Travel Training: Bus Riding Made Easy

WHEELS offers one-on-one travel training to help new passengers learn to use our fixed route bus system. It is a free, self-paced training program customized to meet your individual needs. For more information, call 925-455-7555.

### Wheelchair Marking and Tether Strap Program.

WHEELS offers free wheelchair marking and/or installation of tether straps for mobility devices to better accommodate and safely secure wheelchairs and scooters on all transit vehicles. The program is designed to identify key securement points on all types of mobility aids to support drivers in performing safe and proper wheelchair securement.

Passengers interested in an evaluation will be transported to and from the WHEELS Administrative Offices in Livermore free of charge. Appointments take between 15-30 minutes. Call 925-455-7555 for more information or to schedule an appointment.

## Dial-A-Ride Paratransit Service

For eligible passengers with disabilities who cannot access regular transit, WHEELS provides ADA paratransit service. This special type of public transportation service is limited to persons who have specific limitations that prevent them from using regular accessible fixed route service independently some or all of the time. Call the WHEELS Paratransit Planning Coordinator at 925-455-7555 for more information. Dial-A-Ride fares are provided below as a courtesy.

	Cost
<b>Cash Fare</b> (one-way trip)	<b>\$3.50</b>
<b>Single Ticket</b>	<b>\$3.50</b>
<b>10 ride ticket book</b>	<b>\$35.00</b>
<b>Transfers – Inbound</b>	<b>FREE</b>
Interagency transfers <b>from</b> County Connection LINK or East Bay Paratransit <b>to</b> WHEELS Dial-A-Ride	

The Americans with Disabilities Act of 1990 (ADA) guarantees persons with disabilities full and equal access to the same services and accommodations that are available to people without disabilities.

The WHEELS Accessible Advisory Committee (WAAC) provides input on key issues related to the provisions of ADA transit services in the WHEELS service area. All WAAC meetings are open to the public. For more information about WAAC or to receive meeting notices, call  WHEELS Paratransit Planning Coordinator at 925-455-7555.

# Be Safe! Be Seen!

At Wheels, safety is our #1 priority. In addition to the safety precautions our drivers and staff take on your behalf, you can help ensure safe travel by wearing light-colored clothing when waiting at the bus stop so bus drivers and other motorists can see you when it's dark outside and visibility is poor. Wearing a flashing reflector, using a flashlight, or opening your cell phone and shining it towards the approaching bus also helps.

Don't forget, the driver needs to know that you are waiting to get on board!

# Qué hay de nuevo

## CAMBIOS EN EL SERVICIO Efectivo el sábado 21 de febrero de 2015

**Ruta 2** – El horario de la tarde se ha modificado para beneficiar a los estudiantes de Fallon Middle School; los viajes ahora salen de la estación E Dublín de BART a los 30 minutos después de cada hora en lugar de a la hora.

**Ruta 9** – Los viajes que anteriormente operaban como la Ruta 70X ahora operan como la Ruta 9 en el área de Hacienda. Se ha descontinuado la vuelta por Inglewood / Chabot.

**Ruta 10** – Se ha modificado la hora de inicio del servicio en la mañana; el servicio hacia el oeste ahora comienza aproximadamente 30 minutos más tarde, mientras que el servicio hacia el este comienza aproximadamente 30 minutos antes que en el horario anterior.

**Ruta 11** – El viaje anterior de las 5:57 a.m. ha sido suspendido, y se agrega al servicio matutino un nuevo viaje a las 8:12 a.m. Por la tarde, todos los viajes ahora salen del Centro de Tránsito 15 minutos más tarde que en el horario anterior.

**Ruta 70X** – Ver la nota anterior para la Ruta 9; los pasajeros aún podrán viajar entre las áreas de Walnut Creek y Hacienda y viceversa, sin necesidad de hacer trasbordo.

**Ruta 605** – La ruta se ha extendido a Martin Avenue, y ahora opera el segmento similar a la Ruta 608.

Además, se han hecho pequeños ajustes a los horarios de las Rutas 10, 12, 15, y el Rápido. Se recomienda a los pasajeros de Wheels que estudien detenidamente los nuevos horarios para detectar cambios que puedan afectar sus itinerarios regulares.

## Bay Area Rapid Transit District (BART)

Hay dos estaciones BART en el área de servicio de LAVTA.

### Estación BART de West Dublin/Pleasanton

La Estación BART de West Dublin/Pleasanton está ubicada en I-580, entre Foothill Rd y I-680. Para propósitos de esta guía de autobuses, esta estación es llamada “W. Dublin/Pleasanton BART” o “W. BART” en su versión corta.

Las rutas 3, 53, 70XV, y 503 de WHEELS, así como el servicio Rapid paran en la estación. Para tener acceso a la estación desde la Ruta 10, baje del autobús en la parada Dublin Blvd/Golden Gate Dr y camine una cuadra al sur hacia la estación.

### Estación BART de Dublín/Pleasanton

La estación Dublin/Pleasanton BART está ubicada cerca de la intersección de I-580 y Hopyard Rd. Para propósitos de esta guía de autobuses, esta estación es llamada “E. Dublin/Pleasanton BART” o “E. BART”. Muchas rutas de WHEELS tienen acceso directo a esta estación.

## Downtown Livermore Transit Center

El Transit Center alberga un centro con personal para servicio al cliente, baños y un mostrador de boletos para ACE y WHEELS. Para propósitos de esta guía de autobuses, este centro de conexión es llamado “Transit Center” o “Transit Ctr”. Las rutas que ingresan al Transit Center lo tendrán en sus listas como una parada con horario en sus horarios.

Es importante observar que los autobuses Rapid no ingresan al Transit Center, sino que se detienen afuera en la calle para transbordos cómodos, en la parada con el nombre “First/Railroad”. La parada de autobús con rumbo al oeste está ubicada enseguida del reloj del garaje de estacionamiento de Downtown Livermore y la parada de autobús con rumbo al este está enseguida del Bankhead Theatre.

### Mapa de los alrededores

### Mapa del Transit Center

## Lawrence Livermore National Lab Transit Hub (LLNL)

En la intersección de East Avenue y Vasco Road, afuera de las puertas de seguridad del LLNL y Sandia Lab, WHEELS cuenta con un centro de conexión conocido como “East/Vasco LLNL” o “LLNL”. Cualquier persona del público puede usar este centro de conexión para abordar un autobús de WHEELS. El área de espera se muestra en la imagen de abajo.

## Reglas para viajar

- Mantenga la calma - No amenace o intimide a los pasajeros o conductores de autobús. Es ilegal amenazar la seguridad de un pasajero o un conductor, o interferir con el movimiento de un autobús.
- Pague la tarifa justa - Es contra la ley omitir pagar la tarifa correcta, o hacer mal uso de transbordos, pases o boletos.
- No Moleste - No se permite el ruido excesivo. Utilice audífonos si escucha música.
- Abra paso - No obstruya los pasillos o las puertas. Si usted trae una maleta o una bicicleta, asegúrese de que no esté bloqueando el pasillo. Si usted está de pie, muévase hacia atrás para que otros puedan abordar.
- Disculpe, no se permiten mascotas - Excepto perros guía y otros animales de servicio entrenados para asistir a los pasajeros con incapacidades.
- No fumar - Está prohibido fumar en los autobuses y en el Transit Center. Si usted fuma, tenga en cuenta a los demás pasajeros al alejarse de la parada o marquesina de autobús.
- Carga inaceptable - Es contra la ley llevar explosivos, ácido, líquidos inflamables y/o materiales tóxicos o peligrosos.
- Seguridad del pasajero - No se permite comer o beber en el autobús. Todos los alimentos y bebidas deben estar en contenedores cerrados.

## Cómo viajar

- Llegue a su parada al menos 5 minutos antes. Espere a que el conductor del autobús le pueda ver con claridad y haga una señal para que el conductor sepa que usted necesita subir a bordo. Los conductores no se pueden detener después de salir de una parada, por razones de seguridad.
- Si usted necesita que el autobús baje su altura o le gustaría subir una bicicleta, hágaselo saber al conductor.

- Esté preparado con el importe exacto, el boleto, pase o transbordo del autobús antes de abordar. Si paga una tarifa con descuento, muestre la identificación necesaria al conductor. Si necesita un boleto de transbordo asegúrese de solicitárselo al conductor al pagar su tarifa.
- El autobús anunciará intersecciones y paradas importantes. No dude en pedir al conductor que anuncie su parada si es la primera vez que viaja, o si no está seguro de la parada más cercana a su destino.
- Avise al conductor aproximadamente una cuadra antes de su parada, jalando el cordón al lado de la ventana.
- Recoja sus pertenencias personales y salga por la puerta de atrás. Si tiene una bicicleta en el portabicicletas, salga por la puerta de adelante.
- Tenga cuidado al salir del autobús. Una vez que salga, espere hasta que el autobús se aleje antes de cruzar la calle. Nunca cruce en frente del autobús - es posible que no lo vean los automovilistas que se aproximan.

## Bajar altura de la parte delantera del autobús

Todos los autobuses son capaces de bajar la parte delantera para que le sea más fácil abordar. Esta función es conocida como "kneeling". Si le gustaría que el autobús bajara la parte delantera para que le sea más fácil abordar, sólo hágaselo saber al conductor. Los conductores no tienen que bajar automáticamente la parte delantera del autobús, pero lo harán con gusto si usted lo solicita.

## Las paradas de autobús

Los autobuses de WHEELS sólo se detienen en las paradas de autobús designadas.

## Cómo viajar con bicicleta

Los autobuses están equipados con rejillas en el parabarro delantero.

Si la rejilla para bicicletas está llena, pregunte al conductor si puede ingresar con la bicicleta al autobús. Las bicicletas son permitidas dentro del autobús a discreción única del conductor. Si otros pasajeros o un pasajero en silla de ruedas aborda el vehículo, quizá se le pida a usted que baje del autobús con su bicicleta. Si la rejilla para bicicletas está llena y el autobús no tiene espacio para usted y su bicicleta, por favor, espere el siguiente autobús.

### Cómo cargar su bicicleta:

1. Retire las botellas de agua y otros artículos sueltos de la bicicleta y prepárela para subirla.
2. Diga al conductor que estará subiendo su bicicleta y vaya a la parte delantera del autobús. Los conductores no tienen permitido ayudar a subir o bajar bicicletas.
3. Baje la rejilla para bicicletas de su posición plegada hasta que esté paralela al piso. Una vez abajo, suba la bicicleta.
4. Levante el brazo de soporte sobre la parte superior de la llanta delantera de la bicicleta.

### Cómo descargar su bicicleta:

1. Avise al conductor que bajará su bicicleta en la siguiente parada.
2. Salga del autobús por la puerta delantera para que el conductor pueda verle.
3. Baje el brazo de soporte y levante la bicicleta para sacarla de la rejilla para bicicletas.
4. Si no hay otra bicicleta, doble la rejilla. De lo contrario, vuelva a levantar el brazo de soporte sobre la llanta delantera de la otra bicicleta.

**WHEELS no se hace responsable por ninguna pérdida, robo o daño a las bicicletas. Los dueños asumen todos los riesgos por sus bicicletas transportadas.**

### Especificaciones para su bicicleta:

1. Las llantas deben ser de al menos 20" de diámetro (esto excluye a la mayoría de las bicicletas reclinadas y para niños).
2. No se permiten bicicletas con motor o con asientos para niños, canastas grandes, u otros aditamentos si se considera que es peligroso o si impiden la visibilidad del conductor.

## Cómo viajar con cochecitos y carritos de compras

En algunos autobuses, el área designada para cochecitos y carritos de compras está ubicada detrás del área para silla de ruedas. El área puede acomodar un máximo de dos cochecitos o dos pequeños carritos de compras personales. Los cochecitos y carritos no deben bloquear el pasillo.

Antes de abordar, quite todos los artículos sueltos que podrían caerse del cochecito o carrito. Pida al operador que despliegue la rampa de acceso si es necesario.

### Pasos sencillos para un viaje seguro

1. No obstruya los pasillos, estaciones de sillas de ruedas, puertas, escaleras, o salidas de emergencia.
2. Los cochecitos y carritos se deben colocar en el área designada cuando haya espacio disponible. Este espacio está situado justo detrás del área de sillas de ruedas.
3. Si el área de cochecitos está lleno y hay espacio disponible en el área de sillas de ruedas, los cochecitos pueden ser colocados en el área de sillas de ruedas. Si sube un pasajero con silla de ruedas, se le pedirá doblar su cochecito o carrito y pasar a un asiento normal.
4. Si tanto el área para cochecitos como el área para sillas de ruedas están ocupadas, los pasajeros que aborden con cochecitos o carritos deben doblarlos y mantenerlos fuera del pasillo.

**Si el área designada para cochecitos está ocupada, tal vez se le pida doblar su cochecito.**

**Consejo:** Al comprar un cochecito o carrito para su uso en el transporte público, por favor asegúrese de que sea portátil, ligero y fácil de doblar.

## Programas disponibles en WHEELS

### Planeación de viajes

WHEELS puede ofrecer información sobre rutas y horarios y planificar su viaje por teléfono. Por favor, llame al 925-455-7500 para obtener ayuda para la planeación de su viaje.

Prepárese con la siguiente información:

- Dónde comenzará su viaje,
- Adónde desea ir, y
- A qué hora necesita llegar a su destino.

Luego le podemos decir:

- Dónde y cuándo tomar el autobús,
- Si necesita transbordar a otra ruta, y
- Cuándo usted llegará a su destino.

### Entrenamiento para viajar: Se hace más sencillo el viajar por autobús

WHEELS ofrece un entrenamiento personalizado para viajar con el fin de ayudar a los pasajeros nuevos a utilizar nuestro sistema de autobuses de ruta fija. Es un programa sin costo de entrenamiento a su propio ritmo, para cumplir sus necesidades individuales. Para más información, llame al 925-455-7555.

**Programa Pase para la Clase** Un pase para la clase es un viaje gratis en autobús hasta para 25 pasajeros (incluyendo niños, maestros y supervisores adultos) de su escuela a cualquier destino de Tri-Valley que las rutas fijas de WHEELS cubran actualmente. Un ejemplo podría ser un viaje a la estación BART de East Dublin/Pleasanton para una excursión a otros destinos en el Área de la Bahía.

Todos los maestros en el área de Tri-Valley pueden solicitar hasta 2 pases para la clase por año escolar. Llame al Servicio al Cliente al 925-455-7500 para obtener mayor información o para programar su pase para la clase.

### Ferías de pasajeros habituales para empleadores

Para ayudar a presentar a los empleados las diferentes opciones de viaje disponibles para ellos, WHEELS ofrece a los empleadores la oportunidad de patrocinar sin costo una feria del viajero en su lugar de trabajo. Los representantes de WHEELS ofrecerán ayuda para planear viajes personales e información sobre recursos para pasajeros habituales directamente a sus empleados.

Las ferias del pasajero habitual se pueden organizar comunicándose con nuestro Coordinador de Difusión Comunitaria al (925)-455-7555.

### Programa de pasajeros para empleadores

Si a un empleador le gustaría ofrecer un programa de viajes gratuitos como un beneficio para sus empleados, WHEELS puede ayudarle a diseñar el programa con el tamaño correcto para su compañía. Un ejemplo evidente es el Pase Hacienda ECO para el Hacienda Business Park en Pleasanton.

#### Pase Hacienda ECO Pass

Los empleados y residentes de Hacienda son elegibles para recibir sin costo un pase ECO Pass de WHEELS. Los pases ECO dan derecho al portador a utilizar el sistema WHEELS siete días a la semana, 365 días al año de forma gratuita, mientras que trabajen o residan en el Parque.

Los pases ECO se pueden adquirir visitando la página web de Hacienda [www.hacienda.org](http://www.hacienda.org) o llamando al 925-734-6551. Los pases ECO no son transferibles y los titulares posiblemente tengan que presentar una identificación con foto al conductor al subir al autobús.

También se puede admitir la venta anticipada de boletos. Comuníquese con su empleador o el administrador de su propiedad para pedir más información. Los empleadores pueden comunicarse con nuestro Coordinador de Difusión Comunitaria al 925-455-7555 para obtener más información.

## Título VI

El Título VI es una sección de la Ley de Derechos Civiles de 1964 que requiere que "ninguna persona en los Estados Unidos será, con base en su raza, color u origen nacional, excluida de la participación o los beneficios, ni estará sujeta a discriminación en ningún programa o actividad que reciba la asistencia financiera federal".

Si usted cree haber recibido trato discriminatorio por WHEELS a causa de su raza, color o país de origen, tiene el derecho de presentar una queja con el coordinador del Título VI en WHEELS. Para más información, llame al 925-455-7500.

## Guía de accesibilidad

Todos los autobuses de WHEELS cumplen con la Ley de Estadounidenses con Incapacidades (**Americans with Disabilities Act ADA**). Las siguientes características hacen que abordar y bajar sea fácil y rápido:

- rampas de salida
- un área de entrada grande
- la parte delantera de los autobuses puede bajar a la altura de la banqueta

Hay asientos preferentes para personas con discapacidades y adultos mayores detrás del conductor.

## Cómo viajar

### Abordando el autobús

- Si necesita usar el elevador o la rampa, por favor permanezca unos ocho pies alejado del autobús para que se pueda bajar el elevador o la rampa de forma segura.
- Si usted necesita que el autobús baje su parte delantera a la altura de la banqueta, hágase saber al conductor.
- Quizá sea más fácil para usted abordar de espaldas con su dispositivo en el elevador o rampa, para evitar el tener que girar al ingresar al autobús.
- Por favor apague los dispositivos mecanizados y asegure las ruedas al elevador del autobús, y una vez que usted esté bien asegurado.
- El conductor asegurará su dispositivo de movilidad o revisará que usted lo haya asegurado correctamente con al menos cuatro puntos de anclaje. Además del sistema de anclaje, hay disponibles correas y arneses de seguridad.
- Al momento de pagar su tarifa, dígame al conductor su destino para que el autobús se detenga en la posición adecuada. Después, como recordatorio, avísele al conductor aproximadamente dos cuerdas antes de su parada.

### Saliendo del autobús

- Cuando el autobús se detenga, permita que los demás pasajeros salgan primero, de forma que el pasillo quede libre para que usted se mueva.
- El conductor liberará el mecanismo de anclaje y lo guiará a la puerta.

## Asistentes de cuidado personal

- **Los asistentes pagan \$1.00**
- MTC emite tarjetas Limitadas para Asistentes, sin embargo, no todos los asistentes las tienen y **no son obligatorias** (vea el ejemplo a continuación).

- La tarjeta Limitada para Asistentes es válida SÓLO cuando una persona viaja con el titular de una tarjeta de la Regional Transit Connection (RTC), y **trabaja como su asistente autorizado**.
- Para obtener una copia gratuita de "Access Alameda Transportation Services for Seniors and People with Disabilities in Alameda County (Servicios de transporte Access Alameda para adultos mayores y con incapacidades en el Condado de Alameda)", visite [www.accessalameda.org](http://www.accessalameda.org).
- Para obtener más información sobre políticas relacionadas con PCAs o escoltas en el servicio regular de WHEELS, comuníquese con el Coordinador de Planeación de Paratransito de WHEELS al 925-7555.
- Para obtener información sobre cómo encontrar asistencia de escolta para transporte, llame al 211, la línea de atención del Condado de Alameda para referencias a servicios sociales, o visite el buscador de recursos en línea Eden I&R en [www.almadeco.info](http://www.almadeco.info)

## Sillas de ruedas y otros dispositivos de movilidad

### Especificaciones para su dispositivo de movilidad

- **Peso:** La capacidad máxima de peso para elevadores es de 600 libras. Si el peso combinado de un dispositivo de movilidad y el usuario sobrepasa la capacidad del peso máximo especificado del elevador/rampa, el pasajero no puede ser admitido.
- **Dimensiones:** El dispositivo de movilidad y el usuario no deben sobrepasar el tamaño del área de sujeción de dispositivos de movilidad en el vehículo y éste no debe bloquear el pasillo. Si usted no está seguro si su dispositivo de movilidad puede ser admitido en un vehículo de WHEELS, por favor llame al 925-455-7555 y pida una evaluación en persona.

## Los animales de servicio

- Los animales de servicio están entrenados individualmente para hacer un trabajo o realizar tareas para el pasajero con incapacidad. Sus funciones de servicio incluyen las siguientes: Guiar a las personas ciegas; alertar a las personas sordas; tirar una silla de ruedas; alertar y proteger a una persona que está sufriendo una convulsión; y muchas otras funciones. Estos animales son bienvenidos en todos los autobuses de WHEELS.
- No se permiten estos animales en los autobuses de WHEELS: Animales que estén fuera de control y el controlador no tome medidas eficaces para controlarlo; animales que no estén educados; animales que representen una amenaza para los demás pasajeros o que interfieran con la operación segura del autobús.
- Al usar el elevador, por favor haga que el animal de servicio aborde el autobús primero. También le pedimos que los animales de servicio no estén encima del asiento, y que estén tan alejados del pasillo como sea posible.
- WHEELS se reserva el derecho a negar el abordaje a cualquier animal que represente una amenaza para la salud y seguridad de los demás pasajeros.
- Por favor consulte [www.fta.gov](http://www.fta.gov) o [www.wheelsbus.com](http://www.wheelsbus.com), para obtener información adicional.

## Programas y servicios accesibles para ayudarle

### Planeación de viajes

Es un programa sin costo de entrenamiento a su propio ritmo, para cumplir sus necesidades individuales. Para más información, llame al 925-455-7555.

**Programa de marcado de sillas de ruedas y sujeción de correas** WHEELS ofrece marcado de sillas de ruedas y/o instalación de las correas para dispositivos de movilidad sin costo para acomodar mejor y colocar de manera segura las sillas de ruedas y scooters en todos los vehículos del transporte público. El programa está diseñado para identificar los puntos clave de aseguramiento en todos los tipos de dispositivos de movilidad y así ayudar a los conductores a realizar la sujeción segura y adecuada de las sillas de ruedas.

Los pasajeros interesados en una evaluación serán transportados hacia y desde las Oficinas Administrativas de WHEELS en Livermore de manera gratuita. Las citas toman de 15 a 30 minutos. Llame al 925-455-7555 para obtener mayor información o para programar una cita.

## Servicio de Paratransporte

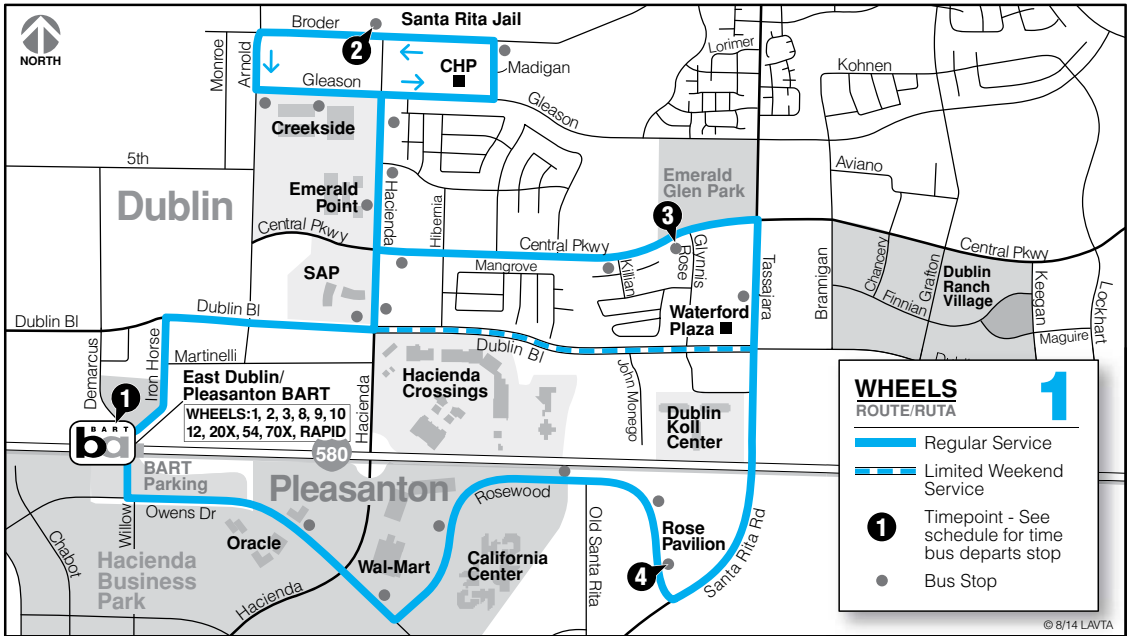

**Dial-A-Ride** WHEELS ofrece un servicio de paratransito ADA para aquellos pasajeros elegibles con incapacidades que no pueden tener acceso al transporte regular. Este tipo de servicio especial de transporte público es exclusivo para aquellas personas que tienen una limitación específica que evita que usen el servicio de rutas fijas de forma independiente en algún momento específico o en todo momento. Llame al Coordinador de Planeación de Paratransito de WHEELS al 925-455-7555 para obtener más información. A continuación se proporcionan tarifas de Dial-A-Ride como cortesía.

	Costo
<b>Tarifa en efectivo</b> (viaje sencillo)	<b>\$3.50</b>
<b>Boleto sencillo</b>	<b>\$3.50</b>
<b>Libro de boletos de 10 viajes</b>	<b>\$35.00</b>
<b>Transbordos – De entrada</b>	<b>GRATIS</b>
Transbordos entre agencias de County Connection LINK o East Bay Paratransit a Dial-A-Ride de WHEELS.	

La Ley de Estadounidenses con Discapacidades de 1990, mejor conocida como la ADA, es una ley federal que garantiza acceso completo e igual a personas con discapacidades a los mismos servicios e instalaciones que están disponibles para personas sin discapacidades.

El Comité Consultivo sobre Accesibilidad de WHEELS (WAAC) se estableció para proporcionar asesoría sobre asuntos importantes relacionados con la provisión del servicio de transporte ADA en el área de servicio de WHEELS. Todas las reuniones del WAAC están abiertas al público en general. Los nuevos participantes siempre son bienvenidos. Para más información acerca de WAAC, o para recibir avisos de las reuniones, comuníquese con el Coordinador ADA de WHEELS.
