

Livermore Amador Valley Transit Authority

September 6, 2016

Re: Intent to Award – LAVTA Purchase and Delivery of Heavy-Duty Buses, RFP #2015-08

To Whom It May Concern:

This letter is to inform you that the Livermore Amador Valley Transit Authority (LAVTA) intends to award, contingent on successful negotiation of contract terms, for **Category 1, Heavy Duty Bus - Hybrid Drive and Compressed Natural Gas**, to the following firm:

- **Gillig LLC, Hayward, California**

This proposal was the only proposal submitted for Category 1, but was determined to meet all of the factors set forth in the RFP.

While there is no guarantee of approval, it is anticipated that an award will be made on Monday, September 12, 2016 at 4:00 PM at the regularly scheduled LAVTA Board of Director's Meeting.

With respect to **Category 2, Heavy Duty Bus – All-Electric Zero Emission Propulsion System**, LAVTA is NOT awarding to any of the proposers in this category. When the RFP was originally issued, LAVTA had been actively pursuing grant funding for these types of buses. However, that funding was not awarded to LAVTA, and LAVTA does not have an alternate funding source for such buses at this time.

LAVTA wishes to thank all proposers for their interest and the time and effort involved in submitting their proposals.

Sincerely,

A handwritten signature in blue ink that reads 'Beverly Adamo'.

Beverly Adamo
Director of Administrative Services
