RE: LAVTA Request for Proposals (RFP) for On-Call Zero Emissions Bus Consulting Services #2016-04

Addendum Number 2

This correspondence constitutes official record of the second alteration of a “Request for Proposals for On-Call Zero Emissions Bus Consulting Services #2016-04” issued on March 28, 2016.

This Addendum changes the due date for proposals to May 5, 2016 at 2:00 p.m. Pacific Time. In addition, Section II Scope of Work was inadvertently included twice in the RFP documents, while Section III Proposal Content was inadvertently left out. The currently posted version corrects the errors and changes the due dates.

Other than those specifically listed above, no other sections, terms or conditions of the above cited solicitation are being altered at this time. All other sections, conditions and language not specifically cited as altered in this document are still in full and original effect.
