**Re: Intent to Award – LAVTA On-Call Engineering Consulting Services,  
RFP #2016-14**

To Whom It May Concern:

This letter is to inform you that the Livermore Amador Valley Transit Authority (LAVTA) intends to award, contingent on successful negotiation of contract terms, to the following firms:

- **Diablo Engineering Group, Oakland, California**
- **Gannett-Fleming, Mill Valley, California**
- **Kimley-Horn and Associates, Incorporated, Pleasanton, California**

These proposals were determined to be the best qualified to LAVTA based on the evaluation factors set forth in the Request for Proposals (RFP); and the proposals were determined to be both responsive and responsible to all other factors set forth in the RFP.

While there is no guarantee of approval, it is anticipated that an award will be made on Monday, November 7, 2016 at 4:00 PM at the regularly scheduled LAVTA Board of Director's Meeting.

LAVTA wishes to thank all proposers for their interest and the time and effort involved in submitting their proposals.

Sincerely,

A handwritten signature in blue ink that reads 'Beverly Adamo'.
