SCOPE OF WORK

ON-CALL GRAPHIC DESIGN SERVICES

1. INTRODUCTION

1.1. Request for Proposals

The Livermore Amador Valley Transit Authority (LAVTA) seeks the services of a qualified firm capable of providing on-call graphic design services for various projects.

LAVTA will utilize the “Best Value” method of procurement, in conformance with applicable procurement guidelines.

1.2. Scope of Work

Background

LAVTA, which operating the *Wheels* system, provides fixed route, school tripper service, commuter express and Dial-A-Ride paratransit service to ADA eligible citizens in the cities of Dublin, Livermore, Pleasanton and adjacent unincorporated areas of Alameda County.

Funding for the system is provided by Federal, State and Alameda County sources. The seven-member LAVTA Board of Directors is responsible for the development of policy and oversight of LAVTA’s services and programs.

The Executive Director oversees the operation of the transit system in accordance with the policy direction prescribed by the Board of Directors and is responsible for the overall administration of the fixed route and paratransit system. At present, the Executive Director is supported by a staff of fourteen (14) employees. Consultants are retained as needed to provide specialized planning, marketing and technical assistance.

It is expected that LAVTA will budget between \$50,000 and \$100,000 per year in on-call graphic services. Due to the complexity of several anticipated projects, LAVTA requires that the successful firm be available for on-site meetings at LAVTA facilities on occasion.

Graphic services will be provided on an as-needed basis, through a Task Order on-call process. The Task Order process will consist of LAVTA contacting the Consultant and requesting services related to an individual project. The Consultant will then prepare a detailed scope and budget proposal for each individual Task Order. The Task Orders will be agreed upon in advance between LAVTA and the Consultant.

Task Order Process

Task Orders will be initiated in accordance with the following procedure:

- Consultant will submit its Task Order Proposal to LAVTA's Marketing Manager within five (5) days of receipt of the Task Order Proposal Request. The Task Order Proposal shall include the Consultant's understanding of the Scope of Work, deliverables and schedule and will include a cost proposal. Also included will be the names of the Consultant (and subconsultant) personnel proposed under the Task Order.
- LAVTA will review the Task Order Proposal for compliance with contractual requirements and will conduct a technical evaluation to ensure the Task Order Proposal is complete and is consistent with the Scope of Work, that personnel assigned are acceptable and that all costs proposed are appropriate.
- If required, LAVTA will conduct negotiations to address exceptions and costs identified in the Task Order Proposal. After negotiations, Consultant will submit a revised Task Order Proposal within five (5) days.
- LAVTA will issue the Task Order within five (5) days after receipt of an accepted Task Order Proposal.
- Services shall be performed under the direction of LAVTA's staff representative identified in the Task Order.
- The contractor shall produce artwork in high resolution electronic formats agreed to by LAVTA such as Adobe Illustrator for printing or to be placed on LAVTA's website. All artwork produced under this contract will become and remain the property of LAVTA. The contractor is to furnish electronic files containing the artwork to LAVTA directly to LAVTA staff or to Contractor's FTP Site.

All insurance specified above shall remain in force until all work to be performed is satisfactorily completed, all of Consultant's personnel and equipment have been removed from the Authority property, and the work has been formally accepted. The failure to procure or maintain required insurance and/or an adequately funded self-insurance program will constitute a material breach of this Agreement.

5.) Claims Made Coverage

If any insurance specified above shall be provided on a claim-made basis, then in addition to coverage requirements above, such policy shall provide that:

- a. Policy retroactive date coincides with or precedes the Consultant's start of work (including subsequent policies purchased as renewals or replacements).
- b. Consultant shall make every effort to maintain similar insurance for at least three (3) years following project completion, including the requirement of adding all named insureds.

- d. Policy allows for reporting of circumstances or incidents that might give rise to future claims.

6.) Deductibles and Retentions

Consultant shall be responsible for payment of any deductible or retention on Consultant's policies without right of contribution from the Authority.

In the event that the policy of the Consultant or any subcontractor contains a deductible or self-insured retention, and in the event that LAVTA seeks coverage under such policy as an additional insured, Consultant shall satisfy such deductible or self-insured retention to the extent of loss covered by such policy for a lawsuit arising from or connected with any alleged act or omission of Consultant, subcontractor, or any of their officers, directors, employees, agents, or suppliers, even if Consultant or subcontractor is not a named defendant in the lawsuit.

Therefore, unless the information is exempt from disclosure by law, the content of any request for explanation, exception or substitution, response to these specifications, protest or any other written communication between Authority and the proposer shall be available to the public.

If the proposer believes any communication contains trade secrets or other proprietary information that the proposer believes would cause substantial injury to the proposer's competitive position if disclosed, the proposer shall request that Authority withhold from disclosure the proprietary information by marking each page containing such proprietary information as confidential. The proposer may not designate its entire proposal or bid as confidential. Additionally, proposer may not designate its cost proposal or any required bid forms or certifications as confidential.

If proposer requests that Authority withhold from disclosure information identified as confidential, and Authority complies with the proposer's request, proposer shall assume all responsibility for any challenges resulting from the non-disclosure, indemnify and hold harmless Authority from and against all damages (including but not limited to attorneys' fees that may be awarded to the party requesting the proposer information), and pay any and all costs and expenses related to the withholding of proposer information.

Proposer shall not make a claim, sue or maintain any legal action against Authority or its directors, officers, employees or agents in connection with the withholding from disclosure of proposer information.

If proposer does not request that Authority withhold from disclosure information identified as confidential, Authority shall have no obligation to withhold the information from disclosure and may release the information sought without any liability to Authority.

2.3 Conflict of Interest

Proposer represents and warrants that it presently has no interest and agrees that it will not acquire any interest which would present a conflict of interest under California Government Code §§ 1090 et seq. or §§ 87100 et seq. during the performance of services under the Agreement. Proposer shall promptly disclose any actual or potential conflict of interest to Authority as soon as proposer becomes aware of such conflict. Proposer further covenants that it will not knowingly employ any person having such an interest in the performance of the Agreement. Violation of this provision may result in the Agreement being deemed void and unenforceable.

No member, officer or employee of the Authority or of any of its member jurisdictions during his/her tenure of office, or for one year thereafter, shall have any interest, direct or indirect, in this contract or the proceeds therefrom.

RFP # 2017-10

Labor Code Section 3700:

(b) By securing from the Director of Industrial Relations a certificate of consent to self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to employees."

I am aware of the provisions of Section 3700 of the Labor Code, which require every employer to be insured against liability for worker's compensation or to undertake self-insurance. In accordance with the provisions of that code, I will comply with such provisions before commencing the performance of the work of this contract.

(Labor Code Section 1861, provides that the above certificate must be signed and filed by the Proposer with the Authority prior to performing any work under this contract.)

FAIR EMPLOYMENT PRACTICES CERTIFICATION

In connection with the performance of work under this contract, the Proposer agrees as follows:

1. The Proposer will not willfully discriminate against any employee or applicant for employment because of race, color, religious creed, ancestry, national origin, age, sex, physical disability, mental disabilities, marital status, or medical condition as defined in Government Code §12926. The Proposer will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religious creed, ancestry, national origin, age, sex, physical disability, mental disability, marital status, or medical condition as defined in Government Code §12926. Such action shall include, but not be limited to, the following: employment; upgrading; demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Proposer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this Fair Employment Practices section.

2. The Proposer will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, advising the said labor union or workers' representative of the Proposer's commitments under this section; and the Proposer shall post copies of the notice in conspicuous places available to employees and applicants for employment.

3. The Proposer will permit access to its records of employment, employment advertisements, application forms, and other pertinent data and records by the Fair Employment Practices Commission, LAVTA, or any other appropriate agency of the State of California designated by LAVTA for the purposes of investigation to ascertain compliance with the Fair Employment Practices section of this contract.

4. A finding of willful violation of the Fair Employment Practices section of this contract or of the Fair Employment Practices Act shall be regarded by LAVTA as a basis for determining the Proposer to be not a "responsible Proposer" as to future contracts for which such Proposer may submit Proposals, for revoking the Proposer's pre-qualification rating, if any, and for refusing to establish, re-establish, or renew a pre-qualification rating for the Proposer.

LAVTA shall deem a finding of willful violation of the Fair Employment Practices Act to have occurred upon receipt of written notice from the Fair Employment Practices Commission that it has investigated and determined that the Proposer has violated the Fair Employment Practices Act and has issued an order under Government Code §12970 or obtained a court order under Government Code §12973.

Upon receipt of such written notice from the Fair Employment Practices Commission, LAVTA shall notify the Proposer that, unless it demonstrates to the satisfaction of LAVTA within a stated period that the violation has been corrected, the Proposer's pre-qualification rating will be revoked.

5. The Proposer agrees that should LAVTA determine that the Proposer has not complied with the Fair Employment Practices section of this contract then, pursuant to Labor Code Sections 1735 and 1775, the Proposer shall, as a penalty to LAVTA, forfeit, for each calendar day, or portion thereof, for each person who was denied employment as a result of such noncompliance, the penalties provided in the labor code for violation of prevailing wage rates. Such monies may be recovered from the Proposer. LAVTA may deduct any such damages from any monies due the Proposer.

6. Nothing contained in this Fair Employment Practices section shall be construed in any manner of fashion so as to prevent LAVTA from pursuing any other remedies that may be available at law.

7. Prior to award of the contract, the Proposer shall certify to LAVTA that it has or will meet the following standards for affirmative compliance, which shall be evaluated in each case by LAVTA:

a. The Proposer shall provide evidence, as required by LAVTA, that it has notified all supervisors, foremen and other personnel officers, in writing, of the content of the anti-discrimination clause and their responsibilities under it.

b. The Proposer shall provide evidence, as required by LAVTA, that it has notified all sources of employee's referral (including unions, employment agencies, advertisements, Employment Development Department) of the content of the anti-discrimination clause.

c. The Proposer shall file a basic compliance report as required by LAVTA. Willfully false statements made in such reports shall be punishable as provided by law. The compliance report shall also spell out the sources of the work force and who has the responsibility for determining whom to hire or whether or not to hire.

d. Personally, or through its representatives, the Proposer shall, through negotiations with the unions with whom it has agreements, attempt to develop an agreement which will:

- (1) Spell out responsibilities for nondiscrimination in hiring, referral, upgrading, and training.
- (2) Otherwise implement an affirmative anti-discrimination program in terms of the unions' specific areas of skill and geography to the end that qualified minority workers will be available and given an equal opportunity for employment.

e. The Proposer shall notify LAVTA of opposition to the anti-discrimination clause by individuals, firms, or organizations during the period of its pre-qualification.

8. The Proposer will include the provisions of the foregoing Paragraphs 1 through 7 in every first-tier subcontract so that such provisions will be binding upon each sub consultant.

9. Statements and Payrolls. The Proposer shall maintain its records in conformance with the requirements included in the Information to Proposers and the following Special Conditions:

a. The submission by the Proposer of payrolls or copies thereof, is not required. However, each Proposer and sub-contractor shall preserve their weekly payroll records for a period of three (3) years from the date of completion of this contract.

b. The payroll records shall contain the name, address and social security number of each employee, his/her correct classification, rate of pay, daily and weekly number of hours worked, itemized deductions made, and actual wages paid.

c. The Proposer shall make its payroll records available at the project site for inspection by LAVTA and shall permit LAVTA to interview employees during working hours on the job.

The following certification is to be executed by every Proposer and enclosed and forwarded in a sealed envelope containing the Proposal. The person signing the certification shall state his/her address and official capacity.

Fair Employment Practice Certification

The undersigned, in submitting a Proposal for performing work as specified in the Scope of Work hereby certifies that the Proposer will meet the above standards of affirmative compliance with the Fair Employment Practices Act.

12. **TERMINATION**

LAVTA shall have the right to suspend or terminate this Agreement at any time by giving written notice to the Consultant. Upon receipt of such notice, the Consultant shall not commit itself to any further expenditure of time or resources.

If the Agreement is suspended or terminated for any reason other than a default by Consultant, LAVTA shall pay to Consultant all sums actually due and owing

from LAVTA for all services performed and all expenses incurred up to the day written notice of effective date of suspension or termination is given, plus any costs LAVTA determines are reasonably and necessarily incurred by Consultant to effect such suspension or termination. If the Agreement is terminated for default, LAVTA shall remit final payment to Consultant in an amount to cover only those services performed and expenses incurred in full accordance with the terms and conditions of this Agreement up to the effective date of termination.
