Wheels Implements Additional Dublin High Service December 11, 2023

LIVERMORE, Calif.– Effective December 11, 2023 Livermore Amador Valley Transit Authority (LAVTA) will implement additional afternoon Wheels bus service for Dublin High School. A new 501A run will run later and add student capacity.

501A services East Dublin, traveling along Tassajara and Fallon, terminating at Positano and Valentano. This new 501A will depart later, 30 to 60 minutes after the first run. The change creates seating for additional weekday student capacity to accommodate the high ridership on the 501 routes.

New timetables are available on the LAVTA website at wheelsbus.com. Additional information is available by calling our Customer Service Center at (925) 455-7500.
